1. CALL TO ORDER

E. Shafer called the meeting to order at 6:00

2. APPROVE MINUTES

**M/S/C (Weston/R.Martin) to approve the minutes of January 8, 2013
as presented. Vote: Approved Unanimously**

3. PUBLIC COMMENT-None

4. OLD BUSINESS

a. Shirts

E. Shafer stated the shirts are in and will be picked up/handed out soon.

5. NEW BUSINESS -

a. Upcoming Weather

C.Martin reported on two upcoming storms, neither of which will be major.

b. Nemo/Charlotte Snow Storm Assessment

Members updated the Committee on their storm experiences. R. Kachorowsky stated he was at the firehouse during the storm, he stated there were about seven people there.

R. Martin stated the communications were good, there were 4-5 plow trucks on the road with the fire departments if needed.

C. Martin informed the members that two troopers got stuck and two plow trucks were stuck at some point during the storm. There were no injuries.

There was no significant power loss in town.

GLFD phone lines were an issue as they kept getting dropped.

C. Martin reported that following town hall phone lines were not working:

3052

3068

3034

3092

The weather station failed

There is one incoming line which should be published for the residents to call when the EOC is open, it is: 860-859-3873 X 215

The EOC now has an air card.

It was reported that there was a maximum of 68 people out of power at the height of the storm due to a transformer.

E. Shafter stated that when the EOC is open the First Selectman is in charge of the town and all emergency operations. The state statute referring to this is, §28.6-28.8a

OTHER BUSINESS

None
