## **THE LOYAL CONNECTION**

The Loyal Connection is an organization aimed to provide guidance and leadership to youth throughout the community. We believe in helping young adolescents reach their full potential through hard work and dedication.

Sports are great resources to teach kids about responsibility, team work, hard work and perseverance. The Loyal Connection strives to teach the student athlete skills on and off the court. You do not reach your true athletic ability until your education and character are correct. We believe students should look at academics and athletics as a business and something that needs to be taken seriously.

## **Programs Offered**

- TLC Basketball Skill Academy
- Smart Start Basketball Academy
- 1 on 1 Basketball Skill Development
- Group Basketball Skill Development
- Youth Coach Clinics
