

Salem Senior's Monthly Meeting

Tuesday June 13, 2017 10:30am

Salem Volunteer Fire Co. Rt. 85

Information regarding probate will be presented by Bill Kollman and Jeffrey McNamara.

Mr. Kollman is a Salem Town Attorney. He's with the firm Holth and Kollman LLC. New London. Bill is a retired probate judge of 14 years.

Mr. McNamara is a Judge of Probate serving our area.

I encourage Salem's senior citizens to attend this meeting to hear this important information.

Even if you've not attended a meeting before, all seniors are welcome to attend.

First Selectman, Kevin Lyden will have the monthly update for our town.

Mind Aerobics with Kathy Civardi will be played.

Last month, **Trooper Chris Pariseau** presented the idea of a trip to the Connecticut State Troopers Museum and Educational Center. The Museum is located at the Leo J. Mulcahy Complex, 294 Colony Street, Meriden, CT

We need to pick a few dates at this meeting so we can plan the outing for July or August. If you'd like to go online and get a little more info about our trip – here's the link <http://www.cspmuseum.org/>

The meeting will adjourn by noon with our monthly luncheon.

A couple of mentions from this past month: Thank you Salem School for hosting our May meeting and providing a delicious lunch following the meeting. Mr. Hebert's pre-k class entertained us with dinosaur themed songs.

It was nice to see so many of you at the blood drive, held at the Christian Community Center across from the Salem Congregational Church last month.

The **Memorial Day Parade** was May 29th. Thankfully the weather cooperated so all were able to march in honor of those who've died in active military service.
