Re: Sourcewell Contract

Dear Mr. Bourdeau,

The W.I. Clark Company of Wallingford Connecticut is pleased to provide pricing to the Town of Salem on a new John Deere 524P 4WD loader under the Sourcewell contract #032119-JDC. The W.I. Clark Company of Wallingford is the approved Sourcewell sub contractor in Connecticut for John Deere and is authorized to offer the current Sourcewell governmental discount of 40% off of the John Deere 524P list price.

This discount is limited to the base machine and John Deere factory installed options and/or accessories only. Any non-John Deere accessories, and/or any dealer installed John Deere accessories including freight and dealer prep are not applicable and are charged separately.

The W.I. Clark Company would accept responsibility for the administrative duties associated with this order, as well as any warranty work should that become necessary.

Please find the attached Sourcewell price schedule with all the options and accessories you requested.

Upon receipt of your purchase order to the W.I. Clark Company, we will place your order with John Deere and you may expect delivery to the Salem Public Works Department in approximately 365 days after receipt of order.

The unit will be delivered with the standard 12 month / unlimited hour full machine warranty. Your machine will be fueled and ready to go to work. Payment in full is due within thirty (30) days after delivery of the machine. Please be advised pricing is based on current John Deere list prices and are subject to change without notice. Dealer discounts where applicable and allied equipment (non-Sourcewell) prices are subject to change without notice. Trade in values where applicable are good for 10 days only.

We look forward to being of service to you.

Sincerely,
