CALL TO ORDER
Chairman Greene called the meeting to order at 7:00 p.m. and recited the Legal Notice as published in *The Day* newspaper on August 1, 2022.

M/S/C: Motion made by Board Member Zak, seconded by Board Member Woronik, to move the meeting from Conference Room 2 to Conference Room 1. Discussion: None. Voice vote, 3-0, all in favor.

1. To hear and possibly take action on assessment appeals for motor vehicles only listed on the October 1, 2021 Grand List. Appeals will be heard by appointment only. Valid appellants were notified by mail.

**Alfred S. Hubbard, 2005 Ford Ranger, List No. 21M100228**
Chairman Green swore in Alfred S. Hubbard. Mr. Hubbard questioned how the property tax for motor vehicles is determined, feeling that the assessed value of his vehicle was high based on its condition and mileage. Chairman Green explained that the property taxes for motor vehicles are based on the Clean Retail Value stated in the J.D. Power Used Car Guide, formerly known as the NADA (National Automobile Dealers Association) Used Car Guide. To determine its assessed value, 70% of the Clean Retail Value is multiplied by the Town’s mil rate, minus any exemptions, e.g. mileage, condition, etc.

*The Board agreed to maintain the assessment of the 2005 Ford Ranger.*

**William Bishop, 2015 Toyota Camry Hybrid, List No. 20157**
*Due to the sale of the vehicle, the Appellant rescinded his appeal. The tax will be prorated per the sale date.*

**Austyn Robillard, 2006 Subaru Baja SPO, List No. 200149**
*The appellant was not present for his appeal.*
Katie Joly, 2007 Keystone Montana Camper, List No. 120092
Ms. Joly also requested a reduction in the assessed value of the Camper due to its condition. She reported that all of the decals identifying the camper have peeled off and the interior has suffered water damage in the rear bedroom. In addition, the camper was purchased for less than the value that has been assessed. Photographs of the damage will be sent to the Chairman.

Katie Joly, 2014 Nissan Rogue, List No. 120093
Chairman Green swore in Katie Joly. Ms. Joly requested that, due to the condition and mileage of the vehicle, the assessed value be reduced. The vehicle currently has approximately 256,000 miles and averages 32,000 miles/year. On October 1, 2021, the vehicle had a bad engine and transmission and no climate control. The engine and transmission were since repaired and a receipt stating the date of the repair will be provided to the Chairman.

*The Board agreed to meet on Monday, September 19, 2022, at 6:00 p.m., in Conference Room 2, to review the photographs of the Camper and receipt for the repairs and decide on the appeals.*

2. **Adjournment**
M/S/C:  Motion made by Board Member Woronik, seconded by Board Member Zak, to adjourn the meeting at 8:33 p.m. Discussion: None. Voice vote, 3-0, all in favor.

Respectfully Submitted by:
Agnes T. Miyuki, Recording Secretary for the Town of Salem
