Dear Fellow Townspeople,

Please see the attached important information provided by Uncas Health District regarding the COVID 19 vaccination progress.

Phase 1b is now open for individuals age 75 and over.

Further guidance will instruct the next group of Phase 1b, which will be open for individuals age 65-74. It is anticipated the age 65-74 group will begin in early February.

We will continue to forward pertinent information regarding the COVID 19 vaccine prioritization.

Respectfully,
