

January 14<sup>th</sup>, 2021

Dear Fellow Townspeople,

Attached is the updated Vaccination Prioritization Schedule for the State of Connecticut.

Please read the attachment carefully.

Phase 1a group continues to receive vaccinations at this time.

Phase 1b group will be open next; however we have not been informed of a specific date that will be.

We will forward information as it is received.

Individuals age 65-74, and individuals with comorbidities are now included in Phase 1b.

When Phase 1b vaccinations are available, we will post the vaccination sites in our region.

Respectfully,

A handwritten signature in black ink, appearing to read "K Lyden".
