

9/1/2020

Dear Fellow Townspeople,

We have asked the Department of Transportation to consider sight line improvements to the intersection of Music Vale Rd and Route 85.

With the help of Deputy Commissioner Eucalitto, the project is moving forward.

We look forward to working with the Department of Transportation on this important safety project.

Respectfully,

A handwritten signature in black ink, appearing to read "K T Lyden".

Dear Property Owner:

Subject: Town: Salem
Project: 0120-0094

The Connecticut Department of Transportation is undertaking a project for the Intersection Improvements on Route 85 & Music Vale Road in Salem, CT.

In the weeks to come, we will be surveying portions of surrounding properties in order to obtain hydraulic information and existing ground features for our Designers.

Attached is a consent form for your review and signature. This consent form is a request to enter upon your property in order to obtain this information.

Thank you for your time and consideration in this matter. If you have any questions, please contact me at telephone number (860) 823-3110 or e-mail me at charles.lachance@ct.gov.

Sincerely,

Charles E. La Chance
Principal Engineer
Bureau of Engineering and Construction
