New Year Wishes

Dear Fellow Townspeople:

The challenges of 2020 will be remembered by all of us. I have heard many times from our seniors, our students and our residents of their frustration and loneliness caused by the COVID-19 Pandemic.

It has been a difficult year for everyone.

The good news is in difficult times, like these, our townspeople banded together knowing it is only a matter of time for the difficulty to subside. This has been revealed countless times, as caring residents consistently stepped forward to help ease the burdens of their fellow Townspeople.

We are all looking forward to a New Year, with new hope, as the COVID-19 vaccines become available.

Many thanks to all of you, for your continued endurance as we live through the last chapters of this global pandemic.

We wish you and your families much happiness in the New Year.

Respectfully,
