Dear Fellow Townspeople,

Please see Salem Resident Trooper Ben Duffy and Salem Resident Trooper Bryce Reed pictured below.

We are fortunate for the highly qualified and professional State Troopers who are assigned to Salem.

Many residents have met Trooper Duffy, as he has been assigned to Salem for the past year. Due to the fact we have been dealing with the COVID-19 pandemic most of that time, I felt the need to reintroduce Trooper Duffy. Trooper Duffy is our daytime Resident Trooper and is well qualified with 9 years experience as a State Trooper.

Trooper Reed has recently been assigned as our evening Trooper. Trooper Reed joins us with 3 years experience as a State Trooper. Both Trooper Duffy and Trooper Reed are from Troop K in Colchester and both are very familiar with our Town as they have worked the south patrol, which includes Salem.

We welcome Trooper Duffy and Trooper Reed to our Town and thank them for their fine service to our Townspeople.

Respectfully,

Kevin T. Lyden  
First Selectman
