

OUR TOWN OF SALEM CONNECTICUT

Summer 2022

A Message from our First Selectman

Dear Fellow Townspeople,

The old meaning of Salem is "Peace". My wish to you and your loved ones is for Peace, Happiness and Prosperity. Salem is a small town, in a way like a big extended family. We look out for one another from our children to our seniors; we listen to each other's opinions, and we value each other's contributions.

Congratulations to the Graduating classes of 2022!

We have all heard it takes a village to raise a child. In Salem, we invest in our children, we value their education and we support both the Salem School and East Lyme High School. Thank you, parents, teachers, tutors, family members, coaches, mentors and others who have helped to mold our children into good citizens. Congratulations to our middle school, high school and college graduates. You are our future and we are in very good hands!

Salem Emergency Management

Salem School Principal Joan Phillips and Vice Principal Dan Driscoll meet with Emergency Management Director Mike Bednarz, Salem Resident State Trooper Ben Duffy and First Selectman Ed Chmielewski at Salem Town Hall to discuss School Safety.

The Salem Emergency Management Team, our Firefighters, our Resident Troopers and Town Hall Staff have been collaborating with our school administrators and teachers to be pro-active in the area of school safety. Plan updates, drills and training have been ongoing. Salem Superintendent Brian Hendrickson and I constantly collaborate and maintain direct communication with each other. We maintain, collaborate and exercise with local, state and federal emergency management agencies and Salem benefits from their resources.

"Teamwork" Salem Public Works and Recreation Commission

Teamwork, cooperation and good old fashioned hard-work have produced magnificent results. Our volunteer Recreation Commissioners and dedicated Public Works staff are working cooperatively together as a team. As a result, residents can enjoy use of our well-groomed baseball, softball and soccer fields, our stunning tennis, pickleball and basketball courts, our lovely nature trails and our beautiful community park. A new volleyball court has been installed at the Salem Community Park. Go check it out!

Fiscal Responsibility

Our 2022/2023 budget has passed. The mill rate was reduced to 28.8 mills. As a result of the strong fiscal management and leadership of our Board of Finance, the Board of Selectmen, other boards and commissions and our Town Department Heads, our town is in Strong Financial Condition. Our bond rating remains upgraded and our rainy-day fund remains healthy and sound.

Disk Golf Course at the Salem Community Park

The Disk Golf Course located at the Salem Community Park remains closed to the public while it is being completed. It is a work in progress while safety-related updates, enhancements and improvements are implemented.

The Board of Selectman, Recreation Commission, Salem Town Hall Staff, Public Works and Emergency Services Staff continue to collaboratively working together with the town's insurance carrier and a vendor to make the course safe for children, adults and seniors. I have appointed Selectman T.J. Butcher as the Selectmen Representative to the Disc Golf Project.

Open and Transparent Government

The Salem School District website SalemSchools.org offers important information.

Salem School Principal Joan Phillips retires!

Congratulations to Principal Joan Phillips on her well-deserved retirement. Joan has served our children as a teacher, vice principal and principal. It was a privilege to work with her on school safety planning issues and pleasure to introduce her on the opening day of the baseball season. Joan threw out the first pitch; and yes, it was a strike!

Thank you for your support!

It is an honor and a privilege to serve as the Salem First Selectman.

May God bless you and watch over our Town of Salem.

Respectfully,
Ed Chmielewski
Salem First Selectman

Salem VFW Commander Steve Buck and First Selectman Ed Chmielewski congratulate the winners of this year's Salem Recreation Memorial Day Bike Decorating Contest.

CONGRATULATIONS TO DON BOURDEAU ON HIS RETIREMENT!

After over 30 years of town service, Don Bourdeau, Jr. has retired. Donnie was recently honored at a luncheon at Town Hall. Donnie is a former Salem First Selectman and was one of six of the last seven First Selectmen to be present. Former First Selectman Peter Sielman was unable to attend and sent his best wishes.

Donnie most recently served as our Town's Public Works Director, Emergency Management Director, Salem School Facilities Manager and Fire Marshal. He also served as the Gardner Lake Volunteer Fire Company Chief for many years. The Bourdeau family has a long and proud history of service to Salem and Donnie will be dearly missed by our community.

Former First Selectman Bob Ross, current First Selectman Ed Chmielewski, former First Selectman Kevin Lyden, Larry Reitz and Jim Fogarty.

MESSAGE FROM THE TOWN CLERK

Dear Fellow Townspeople,

As I'm writing this, I'm looking out at the green grass, flowers and trees budding out with leaves. It was a long winter and spring, but warmer temperatures are finally here and new life is showing!

What's happening in the Town Clerk's office? We continue working on putting older land records online. We field calls asking if mortgages have been released or property has been sold; however, our office is not always open. You can now look online for free to see what has been filed. Simply go to our website, www.salemct.gov and navigate to the Town Clerk's department. On the left, you will see a link for public search. Enter the website and after reading and

accepting the disclaimer, you will be prompted to create an account which you will use each time you sign in to view the land records. All land records can be viewed for free. Should you decide to print pages, there is a nominal fee.

We are gearing up for elections and anticipating a possible primary not too far away on the calendar. Only those enrolled in a major party may vote in primaries. You may register to vote online or in the Registrars of Voters or Town Clerk's offices.

We look forward to seeing you in and around Town. Stay well and enjoy your summer!

Linda Flugrad, CCTC, Town Clerk

UNSUNG HEROES COMMITTEE

The Unsung Heroes Committee is meeting again and working hard to honor those volunteers who make Salem a better place to live. The Committee will be soliciting nominations-at-large from committees, boards and non-profits in late spring and early summer. We plan to honor the Unsung Heroes Class of 2022 in early November of this year.

The Unsung Heroes program was formed over 30 years ago by the Democratic and Republican Town Committees

to promote volunteerism in the Town of Salem. The Committee has recognized 98 individuals for their contributions to our Town during that time period.

Nomination forms are available.

Please contact Hugh McKenney at hughemckenney@gmail.com.

Promoting Library Services

We Are Collecting Used Books, DVD's and CD's

Thank you to all who have donated your used books over the last couple of months. Your response has really been great. For those of you who are thinking about donating, there is no time like the present. Please no encyclopedias, dictionaries, magazines, VCR or cassette tapes. No dirty, bent, torn or written-in books. Brown spots on the sides of the books are mold and the books should be taken to the redistribution paper bins on Rattlesnake Road.

Book Sorting this Summer

When school lets out we will be looking for students to help us sort books for our Fall Used Book Sale. This is a good way for our youth to obtain service hours or give back to their community. The Friends follow Boy Scout rules when having minors working with our adult volunteers. There are always two adults on site when youth are present and sometimes it might require a parent or guardian to be present. If you are interesting in helping sort books, please contact Carl Nawrocki at carlybilly@aol.com.

Mini Used Book Sale

Last year we held a successful mini used book sale in conjunction with the Lions Club Tag Sale held on the Zemko property. We plan on holding the sale again in conjunction with the Lions this year. The sale will feature mostly fiction and children's books. It will be held on Saturday and Sunday, August 20 & 21.

Old Salem Library

Based on a proposal written by the Friends, the ARPA (American Rescue Plan Act) Committee and town residents approved money to help repurpose the Old Salem Library. The approved funds will be used to add a handicapped bathroom on the main floor and upgrade the electrical system. Future ARPA funds will, hopefully, be used for heating/cooling and cosmetic improvements. Once the work is completed, the Friends plan to use the repurposed library as a free source of reading material featuring used children's books, large print books, CD's and other used items not readily available for purchase throughout the year.

Carl Nawrocki, President

SALEM FREE PUBLIC LIBRARY EVENTS SUMMER 2022

Registration required for all programs. Call the library @ 860-859-1130 to register.

The following programs will be held @ the Salem Community Park, 89 Norwich Road, Salem, CT

Author Event with Erica Cirino – Wednesday, August 10, 2022 @ 6:30 p.m. Erica Cirino, the author of *Thicker than Water: The Quest for Solutions to the Plastic Crisis*, will talk about her journey around the world to meet scientists and activists that are telling the real story of the plastic crisis. Books will be available for sale and signing.

Live Birds of Prey with A Place Called Hope - Family Program – Wednesday, August 17, 2022 @ 6:00 p.m. The audience will get to meet two daytime hunters and two nighttime hunters. Learn each bird's story of survival and ways to lessen conflict with the wildlife in your own backyard. **RAIN DATE: Friday, August 19, 2022 @ 2:00 p.m.**

2022 Summer Reading: *Read beyond the Beaten Path*

Our 2022 summer reading program will begin on Monday, June 27, 2022 and end on Monday, August 15, 2022. Registration, logging of reading and random drawings will be via READSquared.

The following summer reading events will be held @ The Salem Community Park, 89 Norwich Rd., Salem, CT

Sand – Wednesday, July 6, 2022 @ 2:00 p.m. Presented by the Kellogg Environmental Center. Learn about sand and what

it is made of. The program includes the use of microscopes and a hand lens to view a collection of sand from Connecticut beaches, streams and lakes, as well as an art project using paint made from Connecticut soils. Limited to 20 children ages 5 & up.

Reading the Map – Tuesday, July 12, 2022 @ 2:00 p.m. Presented by the Denison Pequotsepos Nature Center. When out on the trail, you can't always depend on your phone! Learn how to read trail signs, use a paper map and compass and discuss hiking preparedness. Limited to 20 participants. Ages 7 & up.

Wild Animals of our Region – Tuesday July 19, 2022 @ 3:00 p.m. Join Chief Ranger, Bill Reid, of The Last Green Valley, to explore and learn about the wild animals of our region. Participants will have an opportunity to closely examine reproduction skulls of several mammals and to identify their individual characteristics and habits. Limited to 20 children, ages 5 & up.

Kid's Guide to Tree ID – Tuesday, August 2 @ 2:00 p.m. Presented by the Denison Pequotsepos Nature Center. Practice your tree identification skills, meet several DPNC animals that rely on trees in the wild and make a leaf-rubbing craft. Limited to 20 participants, ages 5+.

Watch for program updates on our Facebook and Instagram pages!

Programs are sponsored by the Friends of the Salem Library & the Carole Eckart Memorial Summer Reading Fund.

From State Rep. Holly Cheeseman 37th General Assembly District: East Lyme and Salem

State Capitol Update

At the time of this writing, there were two weeks left of the regular legislative session. The primary focus is on budget adjustments for this year, both the spending and revenue packages have passed through the committee process, however negotiations about the final budget are ongoing. As a Ranking Member of the Finance Committee, I strongly advocated for tax relief, offering amendments to increase the property tax credit to \$500 with expanded eligibility, and index tax exemptions to inflation.

Also under consideration at this time is the State Employees Bargaining Agent Coalition (SEBAC) agreement which represents 46,000 unionized state employees. The agreement includes 2.5% raises, one-time \$3,500 bonus payments for this year and is estimated to cost \$1.87 billion dollars over four years.

Our state is in a much stronger financial position due to the bi-partisan reforms implemented in the 2017 budget that have led to a strong rainy-day fund and payments towards our long-term debt. I remain steadfastly opposed to any proposals that would weaken these controls that have alleviated our fiscal crisis.

Throughout the session much of my focus has been centered on tax reduction and affordability. In late March we were able to deliver some limited relief for residents by suspending the state's 25 cent per gallon tax and bus fares

from April 1 through June 30 as well as adding a second tax-free week in April.

Earlier this month, I received the "Coalition Crusader" award from the Connecticut Coalition Against Domestic Violence for my advocacy for resources and legislation to support victims of domestic violence. The coalition's recent initiative CT Safe Connect serves as a streamlined point of contact for victims that is available 24/7 via phone, text, and email, with support from 18 organizations in every corner of the state. In the past year CT Safe Connect received 28,000 contacts from 11,000 survivors.

- CT Safe Connect Services are confidential, safe, and free:
- Call/Text: (888) 774-2900

Online: CTSafeConnect.org

For up-to-date information on these and other legislative topics, visit my website www.repcheeseman.com and sign up to receive my newsletter via email.

As always, if you have questions or concerns regarding state government, or need help working with state agencies please contact me at holly.cheeseman@housegop.ct.gov or (860) 842-1423. You can also follow my legislative activity on social media, Facebook (@repcheeseman).

HELLO FROM THE LIONS CLUB OF SALEM

Winter and spring proved to be great seasons for the Salem Lions Club. The easing of Covid allowed us to get back to holding our events and working to support our communities. The Salem Lions Club gives to local, state and national charity efforts. Here are some of the activities that have occurred.

Salem Secret Santa and Thanksgiving

The Lions donated \$500.00 to the Salem Secret Santa. The event, held in conjunction with the Salem Volunteer Fire Department and community donations, helps support Salem families in need during the Christmas season. The Lions Club also donated 40 Turkeys and funds to the Care and Share of East Lyme.

District 23C Humanitarian Awards

Each year, the Lions Club District 23C celebrates local people who represent the best in volunteerism. Each Club sends in a nomination to the District for consideration. This year the Salem Lions Club nominated

Susan Sullivan, RN. Her works were honored at the District 23C's Humanitarian Awards Banquet on March 13, 2022, at Saint Clements Castle. She was recognized for her volunteer work locally, but especially for her continual work with an orphanage in Haiti. Be sure to read "The Chicken and the Avocado Tree", a book she authored about her experiences. Congratulations to Susan Sullivan!

The 1.0 Mile Children's Fun Run/Walk winners were:

Girls:

- 1st - Casie Meader, Uncasville
- 2nd - Isabella Vivas, Salem
- 3rd - Felicity Gadbois, Salem

Boys:

- 1st - Archy Hibbard, North Stonington
- 2nd - Logan Bradford, Colchester
- 3rd - Theo Hestler, Salem

Salem Lions Club's 29th Annual 5k and One Mile Fun Run/Walk April 9, 2022:

On April 9, the Salem Lions Club held its 29th Annual 5k & One Mile Fun Run/Walk Fundraiser. The day started out looking hopelessly cloudy and loomed of rain, but, eventually, the sky cleared, the sun shone and it proved to be a great day for all of the activities.

The One Mile Fun Run/Walk for kids had 32 participants. The mile run track was on Morgan Road. If you have ever been on

Morgan Road, you know it is a hilly terrain and not an easy run.

Our Salem 5k Race started at 10:00 AM with 206 participants, the largest group we have ever had. The first person to cross the line was William Sanders. He won first male. Sybil Sanders, his wife, won first female shortly after. The family is from the Town of Marlborough. Our most distant runner was from North Hampton, MA, and our oldest was 92 years old. *Overall, it was a great day for the runners and volunteers!*

Male and Female Age-rated Winner

Kudos to 92-year-old runner Dr. Anne Pierson, MD, from Old Lyme.

Salem Lions Club's Annual Easter Egg Hunt April 9, 2022 at the Salem School:

Come rain or shine, we held our annual Easter Egg Hunt with the help of the Shoreline LEO's and Lion volunteers. The event included Face Painting, an Egg Design contest, Drawing Contest, and, of course, Jellybean races.

Because of the rain, instead of having the usual scramble for eggs on the Salem School field, it was held it under the school's portico behind the gym. Even with the threat of rain, we had over 80 kids participating.

The Easter Egg Hunt consisted of three Hunts. First, for nursery and kindergarten kids, second for 1st and 2nd graders, and last for 3rd and 4th graders. As you can see from the photo, the kids had a blast (and the parents had to deal with the sugar high after)!

After the scramble for eggs, the kids returned to the school Gym and participated in the jellybean races. As you can see from the photo, they all had a great time, even the Bunny Rabbit!

Upcoming Event:

Annual Lions' Tag Sale in August

About us:

Various fundraisers, such as the Annual 5k and Fun-Run, enable the Salem Lions Club to support these Salem causes: Salem Town Benevolent fund, Secret Santa, Easter Egg Hunt event, Eye screening through KidSight for Salem School students, kindergarten through the 5th grade, Salem School D.A.R.E Program, Salem Youth Baseball, and annual scholarship to two Graduating Salem High School Seniors. On a larger level, we support such charities as: Care and Share, Diabetes, Camp Rising Sun, FIDELCO guide dogs, and Hearing and Speech.

The Salem Lions Club offers a big thank you for your support of these events.

The Salem Lions Club meets every fourth Thursday of the month, at 7:00 PM, at the Salem Center School. (with Covid, we have held the meetings through ZOOM.)

If you are interested in further information on the Lions Club, please Contact Lion Bill Martin at 860-705-6062.

We would love to have you join us!

p.s. If you wish to give a donation, please mail it to George Ziegler at 9 Shingle Road, Salem, CT 06420.

The Salem Board of Selectmen recently awarded newly-appointed Salem Resident State Trooper Kevin Crosby with his Resident Trooper Pin.

SALEM SCHOOL DISTRICT

We hope this Summer Edition of *Our Town Salem* finds everyone healthy and safe. As a school district we are excited to be celebrating another successful school year. We can't thank our students, families, staff, and the entire Salem community for everyone's support as we navigated a very challenging and rewarding year.

Throughout this year, we have worked hard to maintain high expectations for academics and good citizenship, and we will continue to work diligently to enhance communications between the school and the Salem community.

As always, to learn more about what's happening in the Salem School District (athletics, student testing schedules, Eighth Grade Graduation, and other school events), please feel free to visit our website at salemschools.org, read our online Wednesday Folder (salemschools.org/domain/22) and Weekly Snapshot (salemschools.org/domain/307), visit and like our Facebook page and subscribe to our YouTube channel ([Salem School YT Channel](#)).

Thank you for your continued partnership and support as we enjoy the spring months and look forward to summer.

Sincerely,
Brian Hendrickson
Superintendent, Salem School District

Scan the QR code below to view a snapshot of the highlights from this school year since the Winter *Our Town* publication.

TICKS

Many tick species can be found in Connecticut; the tick that transmits Lyme disease is called *Ixodes scapularis*, or deer tick. Quickly finding and removing ticks from the body is an important step in preventing infection with tick-borne diseases. Tweezers are the best method to remove ticks. The best way to remove a tick is to grasp it close to the mouth parts near the skin surface and with gentle, steady pressure, pull the tick upward away from the skin until it releases. Once the tick is removed, wash the area of the bite with an antiseptic or rubbing alcohol. Symptoms of tick-borne diseases found in Connecticut may include a fever and general muscle aches that can occur within 35 days from the time of the bite.

If you have any symptoms of Lyme disease, or symptoms of other tick-borne diseases, contact your doctor right away. If

you find a tick embedded on you or your child, you can bring it to the Uncas Health District and have it submitted for testing at the Connecticut Agricultural Experiment Station free of charge. Reporting time depends largely on the number of ticks received throughout the year. During high points in tick activity, processing time may be delayed. Ticks are tested on a first-come, first-serve basis.

Patrick McCormack
Director of Health, Uncas Health District

Patrick McCormack is the Director of Health for the Uncas Health District. To learn more about the work of the Uncas Health District, please contact us at (860) 823-1189 or www.uncashd.org. The link to access us on Facebook can be found on our website.

THANK YOU

The Town of Salem would like to thank the businesses that appear in this newsletter and recognize them each as supporters and cornerstones of our community. For it is with their contributions that this newsletter has been produced at no charge to our residents. The Town would like to further request that citizens, in response, patronize these businesses first when given a choice and let them know that you saw their ad in *Our Town Salem*.

RECREATION

Meeting the Owls Among Us

Salem Recreation partnered with the Salem Land Trust to offer a presentation by Gwen Malone Rice from Freedom First Wildlife Rehab, Inc., a non-profit charity dedicated to the rehabilitation and education of native owls. Gwen introduced Sebastien, an

Educational Ambassador Owl, and spoke about the Owls Among Us in May at the Gardner Lake Volunteer Fire Company. Huge thanks to Gwen & Sebastien!
