Economic development within the Town of Salem is, by necessity, a collaborative effort. The Salem Economic Development Commission (EDC) has developed this business directory in conjunction with leadership from all facets of our town commissions and community members to showcase all of the great and diverse businesses and services that call the Salem community home and are available to its residents.

This Directory contains an alphabetized business listing, and features many advertisements from local business that helped fund the creation of this Directory. During this project every attempt was made to correctly list businesses with their appropriate physical and web addresses

It is our hope that within this Directory, you will find a wealth of information regarding our local business and service providers, and keep the Directory on hand as a reference so you can benefit from supporting your home town businesses.

EDC members are volunteers who are appointed by the Board of Selectmen to serve as our town's business ambassadors. EDC works with the Board of Selectmen, state and local officials, town hall staff, Planning and Zoning Commission and others to maintain a business-friendly climate that is also welcoming to new businesses.

The EDC meets on the first Tuesday of each month at town hall. Agendas and meeting minutes are available on the Town of Salem website. Public comments, input and participation are welcomed and highly encouraged.

The Salem Seniors Group is a good resource for our valued seniors. We normally meet on the second Tuesday of every month at 10:30am, at the Salem Volunteer Fire Department rear meeting room, 424 Hartford Road (RT 85). We sometimes meet at the Salem School, the Salem Library, Two Brothers Pizza and at the Witch Meadow Campground but may pause at times due to COVID.

At most meetings, a nurse from the VNA is in attendance to take blood pressure readings. Flu shots are offered in the fall. The meetings often include updates from our town officials, discussions of new and old business and guest speakers. We sometimes play bingo and other fun games. Meetings almost always include a potluck lunch. The Seniors Group has sponsored bus trips and other social events as requested by our members. We often collaborate with the Salem Recreation Department and hold an annual summer picnic and a holiday lunch. Consider joining us for good food, good laughs and good friendship!

Doing BUSINESS in SALEM

The Town of Salem

At the Heart of Southeastern Connecticut

The Setting

Salem is a quiet, rural community of over 4,000 residents with a heritage of agriculture, nestled among hills, wetlands and open fields astride the historic route between Hartford and the sea. Incorporated in 1819, it is peopled by friendly, caring, diverse and talented citizens who contribute to the manufacturing, arts, education and technology centers of central and southeastern Connecticut.

The Location

Salem is ideally positioned in the heart of Southeastern Connecticut. Geographically, Salem is centrally located on the Historic Governor's highway with commercial connections to Hartford, Norwich, New London, Willimantic, and other metropolitan areas in the eastern region of our state. Businesses located in Salem enjoy easy access to major interstate highways and state roads providing the transportation infrastructure so important to sustain developing business and industrial interests. Upgrades and expansion of this transportation infrastructure are already underway as regional economic development initiatives.

The Opportunity

Salem's business climate is ripe for development, with available land, existing commercial infrastructure, and industrial and commercial business zones targeted for growth. The Town welcomes new businesses who are good neighbors and who fit into the distinctly rural atmosphere of the Township. Salem features a beautiful countryside with many active farms, recreational facilities and a relaxed lifestyle. As a bedroom community for an increasing number of commuting professionals, Salem seeks responsible growth compatible with conservation goals. The Town supports existing business, offers available workforce resources, and is prospecting for new commercial and industrial enterprises.

LAKES POND BAPTIST CHURCH

a word from

PASTOR MEADER

I would like to offer a personal invitation to you to come and visit Lakes Pond Baptist Church. Our church is a friendly church with a big heart for people.

We are an old-fashioned, Bible-preaching church that seeks to love the Lord and hold firm to the Word of God.

If you are looking for a good church home that preaches the unchanging Word of God in the midst of a changing world, then please stop by and visit one of our services.
